Lycamobile sponsors Colombian festival

Colombianamente to take place in London on 25 July

Lycamobile is sponsoring the third annual Colombian Festival of Arts, Colombianamente, aimed at bringing together different Colombian communities.

The festival takes in place in London in the Bernie Spain Gardens on 25 July, with musicians, dances and workshops taking place all day.

Colombianamente also marks Colombia's independence from Spain, which was secured 200 years ago this year. It is organised by Digame Arts with the The Columbian Embassy & Consulate in the UK.

Lycamobile marketing director Rob Beswick said: 'Colombia has a rich and diverse cultural heritage and we are pleased that Lycamobile can help support Colombianamente bring this fabulous event to the Colombian population of the UK. Lycamobile has a valued Colombian customer base in many of our markets and we wish them all a Happy Independence Day.'
